

# BEACH TENNIS

at the **BEACH HOUSE**

What exactly is the exciting new sport of Beach Tennis? Think tennis and beach volleyball merged into one:

- played with regular tennis racquets and a depressurized tennis ball
- a beach volley ball court
- two players on each team volleying back and forth - one hit per team
- tennis scoring but with no-ad deuce
- don't let the ball hit the sand!

Simple to learn and so much fun to play, Beach Tennis is the perfect way to get fit and have a great time under the sun at the beautiful and newly opened ANNENBERG COMMUNITY BEACH HOUSE! Plus, if you're a tennis player, this class will reinforce the reflex of keeping the racket face "open" on high volleys, keeping you from hitting the ball into the net.

**TWO CLASSES EACH SUNDAY AFTERNOON TAUGHT BY RICHARD GOLDENSON**
